

Wicklow market to Shannon flow

lawrence reed 2009

Playing notes

Instruments to be well spaced across stage

Violin and Accordion have parts which may be played at the back of the hall (not marked on this draft)

Cluster chords and glissandos inside the Piano are approximate and if piano has internal barrier seek closest option

If time does not permit Accordion stop changes shorten previous note

All page turns are odd except Piano which is on even pages.
Pianist may need a page turner
